

Woman Protection Specialist – Protective Security

Steve Vickers & Associates (“SVA”) www.stevevickersassociates.com is a specialist risk mitigation, corporate intelligence, security and consulting company. The company serves financial institutions, private equity funds, corporations, high net-worth individuals and insurance companies and underwriters around the world.

The company is rapidly expanding its business and is seeking to recruit a suitable candidate (Hong Kong based) as a Woman Protection Specialist supporting a protective security team within the operations of our Security, Special Risk and response Group (“SSRR”).

Required Qualifications

- Experience in executive protection or the Disciplined Services or 2+ years in a professional security organisation.
- Embodies integrity, professionalism, and high ethical standards.
- Physically fit; candidates must at least meet minimum physical requirements to be considered for this opening.
- Must be able to pass our pre-employment background check.
- Will be required to sign a confidentiality & non-disclosure agreement.

Desired Qualifications

- Disciplined Services background.
- Previous protective security experience.
- Prior training in emergency medicine, defensive tactics and arresting techniques.
- Valid Hong Kong driving licence for a private car.

Responsibilities & Expectations

The Protection Specialist will act as an integral part of a Protective Security Team. The specialist will support the Team under the direct command of a Team Leader and will have specific responsibility for the safety and well-being of the parties under his or her direct protection.

*Risk Solutions for
a Complex World*

INTEGRITY | COMMITMENT | EXPERIENCE

Character

The Protection Specialist must be of high moral character, embodying ethical standards and a disciplined mind maintaining the confidentiality and confidence of those parties under his or her direct protection.

Physical Readiness

- As a function of the security team, Protection Specialists must be able to maintain physical readiness to respond to an attack or hazard at all times.
- Maintain physicality to stand on your feet for several hours without a break, provide protective coverage during physically taxing activities including running, as well as maintain long schedules in the field.

This position is well remunerated and offers opportunities for advancement.
